David,

ORS does not oppose the Companies' requests to continue the hearing and for an extension of the pre-filing dates, however we would suggest a slight change in the dates mentioned. May 10th is a State holiday and under the schedule proposed by the Companies in their request, ORS's surrebuttal testimony would be due on the 10th with a hearing to follow on the 11th. As State agencies will be closed that Monday the 10th, ORS respectfully requests that the hearing be moved to Thursday, May 13th, with ORS's surrebuttal due on or before May 12th. ORS suggests May 13th due to the Commission's previously scheduled Workshop set to take place on May 12th.

Thank you! Please let me know if you'd prefer ORS respond with a formal filing or if this email is sufficient.

Jenny

To the Office of Regulatory Staff:

We have before us a request to continue the hearing and a request to extend the pre-filing dates in this Docket. It was noted that ORS would respond in the near future. I note that the rebuttal testimony of the companies is due today. Does ORS have a response to either or both requests?

Thanks,

David Butler
